Outdoor Rec Connect

ONLINE

01:00 PM - 02:00 PM EST

AORE is an association built to help you grow your career and connect with others in the outdoor industry. The community is the most beneficial part of an association, so we are excited to host networking opportunities for you to connect with others you may not otherwise. These are non-facilitated meet-ups that allow both members and non-members to share experiences, exchange tips, and forge new connections.

We encourage you to bring successes, challenges, questions and stumbling blocks you've encountered in your career. You can also submit topics to discuss [here](#).

This session is FREE for AORE members and \$5 for not-yet-members. To learn more about joining AORE, please visit our [membership benefits page](#).

NOLS Risk Management Training for Administrators - ONLINE

Online

08:30 AM - 04:30 PM MST

NOLS Risk Services, 3073321223

risk_services@nols.edu

In this training, you'll evaluate your organization's risk management practices and build a comprehensive risk management action plan. NOLS doesn't just teach operational risk management - we practice it every day. This means you learn a current and responsive risk management framework informed by our experience managing wilderness programs for 60 years. You will:

Learn a structured approach to designing or refining a risk management plan.

Analyze your approach to risk oversight, curriculum, staff hiring and training, field support services, and emergency planning.

Participate in exercises to help you evaluate your approach to staffing, contracting, and serious incident response.

The training culminates in an in-depth emergency scenario. You will leave the training having written a personalized action plan.

You'll also receive the following tools:

Risk Management Action Plan Workbook

NOLS Crisis Management Template and NOLS Wilderness Medicine Protocol Package

Resources examples include a risk release, health form, orientation checklist, transportation policy, and more.
